

GIBA Tournament Results

The first two tournaments of our 2008-09 season are in the books. These tournaments were both contested on patterns other than the typical 'house' shot. The first tournament featured a pattern provided to Cadillac Lanes by Kegel, and the second was on a pattern the staff at Merle Hay Lanes provided for us. The scoring level was similar for both tournaments, and it was important to make accurate shots and pick up spares in order to score.

Congratulations to Mike Peters who won our first tournament, the Rick Eighme Memorial 12 gamer at Cadillac Lanes. Mike topped a field of 43 bowlers with an average of 220.7 for the 12 games. We paid a total of 12 spots, and it took a score of 2420 to cash. Shannon Buchan was 2nd, followed by Duane Kilts, Jacob Bedard, Bob Hochrein, Matt Smith, Bryan Tippett, and Don Breeden. A special thank you goes out to Cadillac Lanes for working with Kegel on the pattern, and for hosting this tournament. We had some great sponsorship for this tournament with added money from Budweiser and also from Fran's Pro Shop for donating 3 Hammer bowling balls for the 4 game block totals.

Our second tournament at Merle Hay was a combination GIBA/Mid-Iowa BA tournament. We had a total of 53 entries for this tournament. Congratulations to Matt Smith who won the step ladder final after finishing as the top qualifier after 8 games of qualifying. Matt averaged 223.1 for the 8 games, and it took a score of -1 to cash. Matt Smith topped Matt Weggen in the final match with Mike Peters finishing 3rd, Blake Lobdell 4th, and Scott Carpenter 5th. A huge thank you to Mark Olson and Merle Hay Lanes for working with us on the pattern, and also providing \$250.00 in added prize money. Brunswick provided a bowling ball for our raffle and they have been a huge sponsor for the GIBA over the past several years.

I really appreciate the feedback I have received following these two tournaments relating to the patterns we have used. In many cases, even the bowlers who didn't score well have made positive comments about the fairness of the condition. Our goal is to provide our bowlers with patterns that require good shot-making and make spares count. I want your input whether positive or negative on these patterns so please feel free to let me know your feelings.

We have a couple of big tournaments on the schedule over the next month. Our next tournament is the annual Big Gun 12 gamer at Totem Bowl in Marshalltown. This tournament is on Saturday, October 25th with a 4:00 PM starting time, and is limited to the first 60 entries. I have attached a flier and proposed prize fund for this tournament. The Iowa Open follows on November 16th at May City Bowl in Cedar Rapids. Remember, this tournament has a 9:00 AM starting time due to the longer format. It features the U.S. Open pattern with 8 games of qualifying and a 10 man round robin finals. The winner receives a paid entry to the U.S. Open. I also attached a flier for this tournament.

I attached a flier for another tournament being held on Saturday November 15th at Lightning Lanes in Manchester. Ben Ohl is running this tournament and I told him I would send out his flier.
