Qualifying:

Bowlers will bowl 8 games of qualifying across 16 lanes.

Finals:

The field will be cut to the top five bowlers for the stepladder finals. In case of a tie for fifth place a one game roll-off will be held to determine the bowler that will bowl in the finals. In case of a tie for 1st, 2nd, or 3rd places, a one game roll-off will be held to determine position in the stepladder finals. Each match in the stepladder will be bowled on a different pair of lanes and the lanes will not be redressed prior to the finals. The higher seed in each match will have lane choice at the start of the match. In case of a tie for the 4th and 5th positions from qualifying, a coin flip will be used to determine the starting lanes. If a match ends in a tie, a ninth and tenth frame roll-off will be used to determine the winner, repeating the roll-off until a winner is determined.
