TOURNAMENT STARTING LANE ASSIGNMENT: Teams will draw for starting lanes. Entries close at tournament starting time. Please check-in with tournament officials at least 30 minutes before scheduled starting time.

TOURNAMENT FORMAT: All tournament scores are scratch (no handicap). Each team will bowl four (4) games, moving to a different pair of lanes after completion of each game. All bowlers will alternate between the even numbered and odd numbered lane as their starting lane for each game. Bowlers will be responsible for keeping their own scores (as required when automatic scorekeepers are not available), checking the accuracy of their scores, transferring their scores to the tournament recap sheet, and submitting the recap sheet to the tournament officials. **The tournament recap sheets are the official score sheet and must be completed and submitted to tournament officials.** At the completion of four games, the field will be cut to the top half of the field plus one additional team if required to advance an even number of teams. If a tie exists to determine an even number of teams advancing, a ninth and tenth frame roll-off will be repeated until the tie is broken. Each advancing team will draw for lanes to bowl one additional game. Based on total pins for their five games the field will be cut to the top four (4) teams to bowl two game **modified Baker Game** matches in a stepladder format finals to determine the tournament champion. If after five games, a tie exists for fourth and fifth, a two game **modified Baker Game** match roll-off will determine fourth place. If a tie still exists at the end of the Baker match roll-off to determine fourth place, a one ball roll-off will be repeated until the tie is broken. For the stepladder finals, each team will bowl game one entirely on one lane and game two on the opposite lane. Total pins for the two games will determine the winner. If a tie exists at the end of the match, a one ball roll-off will be repeated until the tie is broken. If the one ball tie breaker needs to be repeated the team must choose a different bowler for each subsequent one ball roll off. The higher seeded team will have starting lane choice. For the modified Baker Game format, **if the 10th frame bowler marks, different teammates will throw the 11th and 12th frames as required.**

TOURNAMENT FINAL STANDINGS: First place through fourth place will be determined by the stepladder results. The balance of the teams cashing in the prize list will be in order of finish based on their total pin fall scratch from qualifying.

STARTING TIME: Tournament will begin at 12:00 P.M on Saturday, December 2, 2017. This tournament is a one (1) day tournament started and completed on the respective scheduled tournament date.

TOURNAMENT MANAGEMENT: All situations not covered under above rules will be decided by USBC rules.
